General Membership meeting November 29, 7:00pm at the Terminal Building

We will soon be hooking up the heaters to each aircraft and telling you about them at next general membership meeting (Oct 26). More info about [Cold Weather Operations](#)

(<http://www.t-craft.org/Reference/ColdWXOps.pdf>) on our web site under "News" heading.

Hangar Maintenance

The foam on the South side of the roof cap is all dried and rotten. The foam has been replaced over the meeting room. The rest of the foam will be replaced ASAP.

Aircraft Maintenance

[375](#): New prop is on. Seems to improve cruise. Transponder switch is going out. Members need to make sure switch is on "ALT". Transponder will have to be replaced soon.

[686](#): Running good.

[64L](#): At last oil change filter looked good. Back on regular oil.

[91X](#): 4 hours from 100 hour.

[29Q](#): New strut seal.

[0YD](#): New keys made. 9 hours from 100 hour. New bag and fuel card.

Also, let [Phil Verghese](#) know when you earn new wings levels, or pass other milestones like first solo, new ratings, etc.

Reminders

Any members wishing to sit during the General Membership Meeting may want bring a chair. As you know, seating is limited.

Please be very careful to **ONLY** wash the windscreens in an up-and-down motion.

Please update information on Schedule Master. This is the main line of communication from the Board and other members.

Every effort should be made to use the T-Craft fuel cards while at the Nampa Airport. This saves the club .10 per gallon. If one is missing, or doesn't work, you can use one from any of our planes.

From the Board

The Board is hoping for a large turn-out for the General Membership meeting in October. We will be voting on the proposed changes to the Constitution. Please attend.

From the Members

We are still interested in stories and/or pictures of trips from the membership! Please remit to t-craft@spro.net or call James Ferdinand @ 724-3309.

Here are some pictures of the Hangar/Plane Wash & BBQ.
