Board Meeting December 14, 7:00pm at the
hangar

NO General Membership meeting in December.

For info about [Cold Weather Operations](http://www.t-craft.org/Reference/ColdWXOps.pdf)
(<http://www.t-craft.org/Reference/ColdWXOps.pdf>) visit
our web site under "News" heading.

Jim Hudson will be teaching a ground school
refresher class on ATC Communications on
Thursday, January 11th, 7 pm at the T-Craft
hangar. There will be no ground school refresher
class in December.

Hangar Maintenance

Watch out for the extension cords on the hangar
floor.

Aircraft Maintenance

[375:](#) Garmin GTX-320a Transponder installed
and working great.

[686:](#)

[64L:](#)

[91X:](#) Appears to have been driven thru a gravel
pit with high RPM! Prop was dinged up pretty
good. She is ok to fly as prop was filed and
honed. This was a new prop not too many hours
ago. Still under warranty. We were noticing slight
oil seep from hub however can't get it in to prop
shop until after turkey day to have it rebuilt. Her
brakes were worn down almost to the rivets so
she got new brakes. Please pass on my
displeasure to the membership about the
treatment **91X** received. -Jim Eyre

[29Q:](#)

[0YD:](#) Friday 11/19 to get oil pan heater put in and
wheel pans off for the winter.

Special Announcements

Please keep your contact information (phone numbers, email addresses, postal address) updated in [Schedule Master](#). To check or update your contact information, login to Schedule Master, click the "User" tab at the top, then click the link that says "Click here to edit your user info" which appears just above the list of users.

Reminders

Any members wishing to sit during the General Membership Meeting may want bring a chair. As you know, seating is limited.

Please be very careful to ONLY wash the windscreens in an up-and-down motion. Also, along with your normal post-flight, make sure the keys and fuel card are in the bag and left in the box at the hangar.

Please let [Phil Verghese](#) know when you earn new wings levels, or pass other milestones like first solo, new ratings, etc.

If you use or find the booster seat cushions in an airplane, please return them to the table behind 375 after your flight. That way they are available for the next person that needs them, rather than just flying around unused in the back seat of an airplane.

From the Board

In order to avoid having the waiting list clogged with people who are not serious about joining the club, the board approved a new procedure to join the waiting list. Prospective members will now have to pay a non-refundable \$100 deposit to get on the waiting list, and this deposit is applied towards their membership fee. Full details are available on the [New Member Information page](#) (http://www.t-craft.org/new_member_info.htm) of our web site. Contact [Phil Verghese](#) or any board member if you have questions.

From the Members

We are still interested in stories and/or pictures of trips from the membership! Please remit to t-craft@spro.net or call James Ferdinand @ 724-3309.
