From the Board

We are looking forward to having a great turn-out at the January General Membership meeting. Annual reports will be given, as well as elections. This is a great opportunity for all members to see the year in review, as well as being involved in the election process.

Special Announcements

Winter Flying Hours are in effect December, January and February. You may fly all three of your use it or lose it hours in one month, or any combination of these three months.

Jeff Vanhoozer is the Chairman of the election committee, he and the other committee members will be calling all eligible members for nominations after the first of the year.

Please keep your contact information (phone numbers, email addresses, postal address) updated in [Schedule Master](#). To check or update your contact information, login to Schedule Master, click the "User" tab at the top, then click the link that says "Click here to edit your user info" which appears just above the list of users.

From the Members

We are still interested in stories and/or pictures of trips from the membership! Please remit to t-craft@spro.net or call James Ferdinand @ 724-3309.

Reminders

Please be very careful to ONLY wash the windscreens in an up-and-down motion. Also, along with your normal post-flight, make sure the keys and fuel card are in the bag and left in the box at the hangar.

Please let [Phil Verghese](#) know when you earn new wings levels, or pass other milestones like first solo, new ratings, etc.

If you use or find the booster seat cushions in an airplane, please return them to the table behind 375 after your flight. That way they are available for the next person that needs them, rather than just flying around unused in the back seat of an airplane.
